

## **SODIUM BICARBONATE FEED GRADE**

**Appearance:** white, crystalline compound

**Empirical Formula:**  $\text{NaHCO}_3$

**Sodium Content (min):** 27.1%

**Product Specifications:** Sodium bicarbonate, a mineral feed ingredient, contains not less than 99.0 percent sodium bicarbonate. Feed grade sodium bicarbonate is intended for agricultural uses only.

**Bulk Density:** 62 lbs/cu.ft.

**Packaging:** 50-pound bags, bulk bags and bulk for truck and rail.

**Storage:** Store in a dry place

**Odor:** none

**pH (1% SOLN. w/v):** 8.2

**Solubility in water:** 8.6 g/100ml @ 20°C

**Molecular Weight:** 84.02
