

**L-Valine - Fufeng**  
Granular – Feed Grade 98%

**Physical Properties:**

Color: Yellowish-white or brownish yellow crystalline particles

**Guaranteed Analysis:**

L-Valine (min.) 98.5%

**Typical Analysis:**

Particle Size	40-60
Loss on drying (%)	≤2.0
pH	5.0 – 7.0
Residue on Ignition (%)	≤1.0

**Storage:**

Store in cool and dry place

**Country of Origin:**

China

**Shelf Life:**

24 months from date of manufacture if stored in original packaging.

**Packaging:**

Available in 25 kg bags.
