

L-Tryptophan

Powder – Feed Grade 98%
Meihua

Physical Properties:

Color: White crystalline powder

Guaranteed Analysis:

L-Tryptophan (min.) $\geq 98.0\%$

Typical Analysis:

Residue on Ignition	$\leq 0.5\%$
Loss on drying	$\leq 0.5\%$
Heavy Metal (Pb)	$\leq 0.0020\%$
pH	5.0 – 7.0

Storage:

Store in ventilated place, avoiding moisture. Handle with care to prevent bag damage, store away from toxic substances.

Shelf Life:

24 months from date of manufacture if stored in original packaging.

Packaging:

Available in 20 kg bags.
