

L-Valine - Fufeng

Powder – Feed Grade 98%

CAS NO. 72-18-4

Physical Properties:

Color: White Crystalline Powder

Guaranteed Analysis:

L-Valine (min.) 98.0%

Typical Analysis:

Particle Size	40-60
Loss on drying (%)	≤0.3
Heavy Metals (Pb)	≤15ppm
Residue on Ignition (%)	≤0.10
pH	5.5 – 7.0

Storage:

Store in cool and dry place

Country of Origin:

China

Shelf Life:

24 months from date of manufacture if stored in original packaging.

Packaging:

Available in 25 kg bags.
